## Creative Director, Maddie Sapra, Director Dion Hines

Overall I love this mockup, I think it really encapsulates what i am looking for. I added a few notes we discussed in out meeting below-

- → Add a bio for each of the characters, character bios can be found here
  - https://en.wikipedia.org/wiki/BoJack Horseman#Cast and characters
- → I really like the background in Mockup B
- → Add a background to the synopsis and character section
  - ◆ A repetitive pattern, or a more simple design that still relates
